Music In The Church

Message In The Music harkens back to the Elizabethan age of Christian persecution when Scripture had to be taught in song to lessen the persecution by those who did not understand the roll of music and praise and worship in the church. Music was allowed then, and lyrics were and remain critical to the mission today. Only songs with displayed lyrics are included in Message In The Music

To publishers of music hosted here by link to your work, we thank you for making it possible for this forum to exist. You and the artists you have promoted are doing a great work for the Christ.

For those who have removed their posting of music, we will honor your intent and de-link from your published song(s) as believe desired. If you have removed your publication without realizing the benefit made to the Christian community and would like Message In The Music to re-list your song, just email us.
